

HRSG Users Handbook

Design
•
Operation
•
Maintenance

Since 1993, the HRSG User's Group has brought together users, manufacturers, service providers, and consultants from around the world to discuss the design, operation, and maintenance of heat-recovery steam generators. After a decade of technical meetings, the Group captured the many lessons its members had learned in a practical set of HRSG guidelines. That 1st Edition proved highly valuable to owner/operators, project developers, manufacturers, design engineers, insurance representatives, and many other industry participants in 41 countries.

HRSG Users Handbook, 2nd Edition, builds upon that first effort, and goes well beyond! Published in 2006, the 2nd Edition captures the industry's latest and best thinking in greater depth and clarity, with all-new chapters contributed by a team of 30 combined-cycle authorities—all experts in their respective fields who have actively participated in HRSG User's Group meetings for many years, and who know first-hand the information needed to achieve operational excellence. At 512 pages, HRSG Users Handbook comprises nearly three times more substance than the 1st Edition! It is more comprehensive in its span, more detailed in its content, and more visually interesting with better graphics, textbook-style layouts, and a durable, permanently bound hardcover. The information presented has never been compiled previously in such detail and made available at an affordable price.

Only the HRSG User's Group could have put together such a wide-ranging and up-to-date handbook! The Group tapped its 1200-plus members and hand-picked the top industry authorities to author the book's 40 insightful chapters. Contributing companies include HRSG users, designers, engineering consultants, and water-treatment specialists.

Chapter 1 – SAFETY FIRST

Chapter 2 – HRSG DESIGN

- 2.1 The HRSG as an Operating System
- 2.2 Developing Design specification
- 2.3 Vertical HRSGs
- 2.4 Small HRSGs

Chapter 3 – COMMISSIONING & INITIAL STARTUP

- 3.1 Overview of a Successful Commissioning
- 3.2 Steam-System Cleaning
- 3.3 Initial Performance Testing

Chapter 4 – STEAM-SYSTEM OPERATION

- 4.1 'Best Practice' Operating Procedures
- 4.2 Steam Bypass Systems
- 4.3 Duct Burner Operation
- 4.4 Attemperators

Chapter 5 – COMBINED-CYCLE PERFORMANCE

- 5.1 Real-World Performance Monitoring
- 5.2 Performance Monitoring of HRSGs
- 5.3 Performance Monitoring of Steam Turbines & Condensers

Chapter 6 – WATER TREATMENT

- 6.1 HRSG Failure Mechanisms
- 6.2 Makeup Water Treatment
- 6.3 Steam-Cycle Chemistr
- 6.4 HRSG Layup
- 6.5 Cooling-Water Treatment
- 6.6 Water-Chemistry Automation

Chapter 7 – ENVIRONMENTAL SYSTEMS

- 7.1 Emissions-Control Systems
- 7.2 Certifying a CEMS

Chapter 8 – MAINTENANCE PROGRAM

Chapter 9 – MAINTENANCE OF HRSGs

- 9.1 Standard Maintenance Practices to Avoid Substandard HRSG Life
- 9.2 Pinpointing & Repairing HRSG Tube Leaks
- 9.3 Welding Tube-to-Header Joints
- 9.4 NDE Tools for HRSG Users
- 9.5 Special Maintenance Practices

Chapter 10 – PIPING SYSTEMS

- 10.1 Piping Basics
- 10.2 Special Piping Considerations

Chapter 11 – VALVE MAINTENANCE

Chapter 12 – DUCTWORK, DAMPERS, & STACKS

Chapter 13 – MAINTENANCE OF DUCT BURNERS

Chapter 14 – INSTRUMENTATION & CONTROLS

Chapter 15 – PLANT STAFFING & ORGANIZATION

Chapter 16 – FAILURE ANALYSIS

- 16.1 Overview of Root-Cause Analysis
- 16.2 HRSG Tube-Failure Root-Cause Analysis

Chapter 17 – OUTAGE MANAGEMENT

- Appendix A. Directory of Industry Suppliers
- Appendix B. Presentations at Annual Conferences
- Appendix C. Glossary of Acronyms and Abbreviations

Order the Handbook

HRSG Users Handbook, 2nd Edition, is available exclusively through the HRSG User's Group. Individual copies cost \$345.00. There are no shipping or handling fees. The Handbook also is available at special quantity discounts for training purposes. To discuss your training needs, please contact the Group's Executive Director at the office listed below. Fast, secure ordering is available on-line at www.HRSGusers.org. Or you may complete this form, and fax it with your credit-card order. A third option is to mail a check (remit to HRSG User's Group, amount must be in US dollars). Send all orders to:
