

2018 HRSG User's Group 26th Conference & Expo Hilton Americas-Houston February 12-14, 2018

World's Largest Gathering of HRSG Users

The number of combined-cycle conferences has grown in recent years, but the HRSG User's Group Conference & Expo is the original and still, the world's largest gathering of HRSG Users. Now in its 26th year, our conference draws hundreds of attendees from across North America, Europe, and Asia, who work together to solve the tough problems in our plants.

Exhibitors participate in all

Many user groups prohibit exhibitors from conference sessions, but the HRSG User's Group invites EVERYBODY to actively participate in all conference sessions. In fact, we pass the microphone around the room so that everybody can be a speaker. There's no better way to learn of customer needs and communicate your idea/solutions!

Testimonials

"Gets better every year!"

-Jim Witherow, Scientech

"HRSG User's Group deals with more specific subjects than other conferences do, and I like it. You can get unexpected information only when you actually meet people in person."

-Eric Hwang, Doosan Heavy Industries

Top-notch technical content

In contrast to most conferences where—you hear speech after speech from the podium—our conference is dedicated to interactive discussion among the audience. We then sprinkle in only a handful of presentations with case studies from operating plants.

The right audience of buyers

The HRSG User's Group conducts its expo and conference in one intimate setting, thus ensuring booth traffic from actual users—plant managers and engineers with real purchasing power. As a result, our limited booth spaces have sold out for the past seven years in a row. So, if you 'want in' on this unique marketing event, don't delay!

Cancellations received in writing within 30 days of their full payment are entitled to a 75% refund. Cancellations received after 30 days of their full payment get no refund.

Exhibit Restrictions. No exhibitor or part of an exhibit will be admitted to space until rental of that space has been paid in full. It is the duty and the responsibility of the exhibitors to install their exhibit before the opening of the Expo and to dismantle their exhibit immediately after the close of the Expo. Arrangements for electrical and phone/computer lines should be made in advance through the hotel. The exhibitor shall properly staff the exhibit during the Expo hours. Exhibitors are liable for any damage caused to building walls, door, or columns, or to other exhibitor's property. All parts of all exhibits must be exhibited within exhibitor's assigned space boundaries.

Liability. Each exhibitor, in applying for space, agrees to protect, indemnify and hold harmless the Group and the host hotel. The exhibiting company acknowledges that it is responsible for obtaining insurance coverage in such amounts as it deems appropriate to comply with its obligations herein and for its own protection. Additionally, the Group will not be responsible for the exhibitor's business or for any other losses incurred by the exhibitor, if we cannot provide exhibit space or the exposition is cancelled. At the end of the Expo, the exhibitor will at once surrender the exhibit space to the Group in as good condition as at the commencement of the exhibitor's use of the exhibit space.

Prize Drawings. Exhibitors must obtain advance approval by the Group, to conduct drawings or award prizes on the exhibit floor.
